

# Some of the Best of Carolyn Hyde

**SINGLE: Yet I Will Rejoice**

**YET I WILL REJOICE**

**Though the fig tree doesn't bud  
And there are no grapes on the vine  
Though the olive crop fails  
And there is no hope for new wine**

**Though there are no sheep in the pen  
And no cattle on the hill  
You will deliver Your people  
And make the nations tremble**

**Yet I will rejoice in the L-rd  
I will rejoice  
Yet I will rejoice in the L-rd  
I will rejoice**

**Though I have lost my direction  
And I can't find my way  
Though I've been forgotten  
And my world has turned to gray**

**Though the hours pass by  
And I sit here all alone  
I know that You are still with me  
As You sit on Heaven's Throne**

**Yet I will rejoice in the L-rd  
I will rejoice  
Yet I will rejoice in the L-rd  
I will rejoice**

**Your glory covers the heavens  
And Your praise fills the earth  
Your splendor is like the sunrise  
And You make the nations tremble**

**Yet I will rejoice in the L-rd  
I will rejoice  
Yet I will rejoice in the L-rd  
I will rejoice**

**CD: SOME OF THE BEST OF CAROLYN HYDE**

### **SONG OF SONGS**

**Come away my lover and be like a gazelle  
Or be like the young stag on the spice laden mountain  
Place me like a seal over your heart  
Like a seal over your arm  
Place me like a seal  
Love is so strong like a mighty flame  
The rivers cannot wash it away  
Many waters cannot quench our love  
Daughters I say  
Do not arouse love until it so desires  
Daughters I say  
Love is so strong like a mighty flame  
The rivers cannot wash it away  
Many waters cannot quench our love**

### **HE PUT THE LAW IN MY HEART**

**He gives to me an everlasting love  
He made a covenant of faithfulness  
With Israel to forgive our sin  
He put the law in our heart  
He who made the moon and stars  
He who stirs up the sea  
L-rd of hosts is His name  
He is faithful to me  
He said He will be our G-d  
We will be His people  
We shall know His glorious name  
From the least to the greatest**

### **SHAVUOT**

**Up on the mountain the L-rd came down  
On Mount Sinai and Moses went up  
The whole mountain trembled and smoke ascended  
For G-d came upon it in fire  
Shavuot, the Feast of Weeks  
First came the law on Mount Sinai  
Shavuot, flames of fire  
Then came the gift of G-d's Spirit  
Up in the room the disciples gathered  
When suddenly came a great wind  
The L-rd poured His Spirit upon the people  
And tongues of fire rested on them**

### **YOU GOT TO MOVE**

**You got to move in the ways of the Ruach HaKodesh  
You got to move in the ways of the Spirit of G-d**

## **BARUCH ATA**

**Baruch Ata Adonai, Baruch Ata Adonai (2x)  
Baruch Ata, Baruch Ata  
Baruch Ata Adonai, Elohaynu Melech ha'olam  
Ata Hu Adonaynu, Ata Hu Elokaynu  
Ata Hu Malchaynu, Ata Hu Moshiaynu  
You are our L-rd, You are our G-d  
You are our King, You are our Savior**

## **REVIVE US**

**You are the Father of everyone  
Even of those who don't know  
Bring us together to worship you  
Help our faith in you grow  
L-rd G-d, revive us, L-rd G-d, revive us  
You are the one who comforts me  
With the love that you show  
Bring me back to worship you  
Help my faith in you grow  
L-rd G-d, revive us, L-rd G-d, revive us  
Great is the love that you have for me  
Even though I might stray  
Bring me back to worship you  
Help my faith in you stay**

## **ALL THE WAY TO HEAVEN**

**If you pray to Him, He'll answer you  
If you call His name, He'll hear you  
If you trust in Him, He'll bless you  
All the way to heaven, all the way to heaven  
He is my G-d, let Him be yours too  
He is my shield and sword  
Life in Him is all I need  
All the way to heaven, all the way to heaven  
If you're going down, He'll lift you up  
If you sing to Him, He'll smile  
If you trust in Him, He'll bless you  
All the way to heaven, all the way to heaven  
If you've lost your way, He'll find you  
He forgives all those who ask Him  
If you trust in Him, He'll bless you  
All the way to heaven, all the way to heaven**

## **LISTEN TO G-D**

**Oh Jonah and the whale found a way to be  
Closer to each other in the sea  
There's got to be a better way to go, said he  
I should listen to G-d  
Oh Daniel made himself right at home**

He knew the lions wouldn't take a bite  
All he had to do was wait out the night  
He listened to G-d  
Yeshua didn't want to go and hang  
He knew the pain He would feel  
He suffered for our sins and now He's glorified  
He listened to G-d  
What you gonna do if you've been sent by G-d  
Where you gonna run away and hide  
Where you gonna go where He won't see you  
Listen to G-d

#### **SAIL WITH YOU**

I sail over gardens of tropical fish  
I sail on the ocean and go where I wish  
I sail over reef and barrier too  
If you be on the water, I'll sail with you  
You walk on dry land and you think that's the way  
Try walking on water – what faith, you might say  
These fishermen now are fishers of men  
If you be on the water, I'll sail with you  
I want to go with you wherever you go  
But that's up to you, it's your choice you know  
Forgive those who erred and the Father will you  
If you be on the water, I'll sail with you

#### **HE IS YOUR PRAISE**

Fear the L-rd your G-d  
Serve Him all your days  
Cling to Him and love Him  
He is your praise  
Wondrous deeds your eyes have seen  
He has done for you  
You have numbered as the stars in heaven  
Praise Him in all you do

#### **HEAR OH ISRAEL**

Thou shall love the L-rd with all thy heart  
With all thy soul and with all of thy might  
So the L-rd commands these words be in your heart  
Teach them to your children and raise them up right  
When thou sittest in thy house  
When thou walkest by the way  
When thou liest down and when thou risest up  
Thou shall bind them for a sign upon thine hand  
Thou shall write them on thy door and on thy gates

#### **HOW CAN A COWGIRL KEEP KOSHER**

Out on the western hills

I was eating my kosher dills  
While the fire burned hot and bright  
We'll be serving up kreplach tonight  
Have you noticed the price of lox  
We can barely afford the box  
And the bagels are hard to find  
Well I think I have made up my mind  
How can a cowgirl keep kosher  
While out on the western range  
How can I keep every letter of the law  
It's just me and my horse alone  
I have a friend named Sam  
He offered me some spam  
I turned away his kiss  
With a nice hot potato knish  
Now Sam had a daily walk  
With Yeshua he loved to talk  
I was jealous of all his joy  
So I took up the G-d of this boy  
How can a cowgirl keep kosher  
While out on the western range  
How can I keep every letter of the law  
Well it's easy to do with Yeshua

**So will I draw her  
I will lead her into the desert  
I will speak to her gently  
I will open a door of hope**

As in the days she came out of Egypt**

My heart is open for You to see  
If I cling to You and trust You  
When my troubles surround me**

**My heart belongs to You  
My hope and my trust I put in You**

**In the desert my shoes don't wear out  
In the desert I have enough to eat  
In the desert my love grows stronger  
As You are taking care of me**

As You are taking care of me**

**NOTHING WILL BE IMPOSSIBLE  
Richard and Carolyn Hyde and Eliana Aliyah (c) 2009**

**You said that I could move a mountain  
If I had faith like a mustard seed  
You said that I could do greater things  
Than my Messiah, well how can that be  
Nothing will be impossible  
For those who believe and are called by Your name**

**You said that I could walk on water  
If only I would keep my eyes on You  
You said that I would judge the angels  
And judge the world, tell me how can that be  
Nothing will be impossible  
For those who believe and are called by Your name**

**You said that I should love my enemies  
And I should do good to those who hate me  
You said forgive seven times seventy  
So many times, well how can that be  
Nothing will be impossible  
For those who believe and are called by Your name**

**CAN'T FORCE A HEART  
Richard and Carolyn Hyde, Mike and Angela Hersch (c) 2009**

**He's standing outside and He's waiting for you  
You could run out the back door or answer His call  
What you gonna do  
He won't push 'cause He's waiting on you**

**You can't force a heart to believe  
In the one who's gonna set them free  
He gave ears and eyes to hear and see  
So we could choose and we could know  
The one who's gonna set us free**

**It doesn't matter where you've been or what you've done  
You gotta find hope even when you've got none  
Come in from the cold  
Come back home to the warmth of His son**

**Out from the darkness  
Take a journey of hope  
One path to nowhere  
And one path to home**

**WITHOUT YOU  
Eliana Aliyah (c) 2009**

**You looked at the earth and it was formless and empty  
And the heavens' light was gone  
The mountains were quaking, the hills were swaying  
And this is what it's like without you  
This is what we're like without You**

**You looked and all the people were gone  
The sky had no birds to fill it  
The fruitful places were turned into ruins  
And this is what we're like without You  
This is what we're like without You**

**But with You we are full and complete  
And the heavens shine brighter than ever  
The sky is full and the ruins are restored again  
The desert will blossom when we are with You  
When we're with You, we're everything  
When we're with You, You're everything**

**PEACE IN YOUR HEART  
Carolyn Hyde (c) 2009**

**You've got a rare quality that I can observe  
A rare quality indeed  
You've got a rare quality that anyone can see  
And it speaks of the peace in your heart**

**If you have found something that I can use  
Tell me about it now  
'Cause I want that rare quality that anyone can see  
And I'll sing of the peace in my heart**

**Now when the Son came He brought a whole lot of light**

**He opened my eyes  
I've been redeemed by the G-d of Yisrael  
And I sing of the peace in my heart**

**LEV TAHOR  
Carolyn Hyde (c) 2009**

**Lev Tahor bra li  
Lev tahor bra li Elohim  
Ruach, ruach nachon v'chadesh  
V'Ruach, ruach nachon b'kirbi**

**THE LATTER RAIN  
Richard and Carolyn Hyde (c) 2009**

**You take my pain  
And You take my tears  
Send the latter rain  
It will amount to all our fears  
(1. You restore all that the locusts have eaten)  
(2. You will wipe every tear from our eyes)  
You will bring refreshing rain, restoring rain**

**We who sow in tears will reap with songs of joy  
For the Lamb of G-d will lead us  
To springs of living water  
Send the latter rain**

**YOU'LL ALWAYS BE PART OF US  
D.S. (c) 2009  
For Shayna, Aaron and Rachel**

**So, do you think that you have made it  
You made a choice  
Do you think that you can take it  
It's not always as easy as it seems.**

**Do you think you could have waited  
Don't answer that  
You could carry through and make it  
I just want to see you realize your dreams**

**Cause you carry a world inside you  
You're a piece of forever I know  
And you'll carry our hearts behind you  
Wherever you may go**

**So, when I see what you've created**

**I see a spark of hope  
You could carry though and make it  
I hope you do**

**He'll always love you little lamb  
He'll always know where you began  
His mercy reign over you love  
You'll always be part of us**

#### **ONE VOICE**

**Carolyn Hyde (c) 2009**

**For Hartmut & Dorica Richter and Michael Gertsman**

**Take these words to heart in the places where you live  
And when you return to the Lord  
And obey Him with all of your heart  
Then will He restore your fortunes before your eyes  
Showering us with His compassion  
And gathering us from all the nations**

**With one voice, we will call out with one voice  
With one voice, we will call on the name of our God**

#### **CHOICES**

**Carolyn Hyde (c) 2009**

**It all comes down to eternity  
Where will I stand  
And who'll be waiting at the end of the line  
Who is this man  
And how can the son of G-d be born  
What is His name  
And how can I know if it's really Him  
Where will I stand**

**What choice do I have  
What choice will I make  
To walk alone  
Or walk with You**
